Extended retailer text	Dual it out
------------------------	-------------

Want to enjoy in-game sound and chat or listen to music on your phone at the same time? We’ve got you! With dual wireless functionality, the Fayzo allows you to simultaneously connect to your PC/console and phone via the ultra-low latency 2.4 GHz USB receiver and Bluetooth. What’s more, this headset also offers up to 22 hours of playtime thanks to its convenient rechargeable battery.

Main character energy

Get your head in the game, literally. With virtual 7.1 surround sound and 50mm drivers, this headset offers powerful clear audio that will make it feel like you’re right in the centre of the action. How’s that for a cool sound experience!

Enter the comfort zone

Keep it cosy with the Fayzo. Comfortable ear-pads, an adjustable headband and swiveling earcups keep you feeling good from the moment you put this headset on all the way to the end of your gaming session.

More eco, less echo

Not only does this headset give you top-notch audio, but it also helps you do your bit for the environment too. With a composition of 85% recycled plastics, the Fayzo Dual Wireless Gaming Headset is player-friendly AND planet-friendly!

Communication made clear

Your team deserves to hear you loud and clear – you’ll have a flexible noise-cancelling microphone that filters background noise for extra-clear communication; and it can even be detached when not in use!

Colour me cool

Take your gaming setup to the next level with this stylish headset. Adjustable multicolour RGB lighting with three colour modes (plus off mode) allows you to express your unique style whilst you rack up those wins.

Your platform, your rules

Whether you’re Team PC, PlayStation or Switch, the Fayzo can handle them all. Compatible with multiple platforms, simply connect to your favourite via the USB dongle and/or Bluetooth connection and you’re good to go!

Take control

Turn it up or turn it off – with easy-to-reach on-ear controls, quickly and conveniently balance the sound between your PC/console and phone, or mute the microphone at the simple touch of a button.

Specifications
